About

CLACKAMAS SERVICE CENTER

Clackamas Service Center was founded in 1973 to meet the critical needs of families and individuals experiencing hunger and poverty. Over 40 years later and the need for our services is greater than ever. We address the needs of our community by providing hot meals, emergency food boxes, and medical care. We also offer supportive services such as free clothing, dental care, showers, haircuts, and warming shelter in cold weather. Through these offerings we help those in our community who are homeless or at risk of homelessness move out of poverty in a dignified and supportive way.

Our Mission

Clackamas Service Center is a vibrant and inclusive "one-stop" community campus for Clackamas and Multnomah county residents seeking food, safety, health and stability on their path toward self-sufficiency.
