CSC is able to purchase food from the Oregon Food Bank at a discount. Material donations are always appreciated, but you can also support our food market by clearly marking checks and online donations in the memo box – FOR FOOD BANK PURCHASES. We'll purchase the items our members need most!

If you have a large amount of donations to drop off, or need to schedule an alternate donation drop-off time, please check in with CSC staff ahead of time using the contact information above.

Thank you for your generosity and support!
