Harvesting HOPE

Clackamas Service Center (CSC) provides hunger relief, hope, and dignity to people experiencing food insecurity, homelessness, or income restrictions. In 2025, we provided over 1.6 million pounds of food to the community, impacting over 12,000 people each month.

We provide:

- hot meals
- showers
- medical care
- mentorship
- & more!
- groceries
- clothing
- mail service
- housing support

About Harvesting Hope

This luncheon attracts 200+ CSC supporters each year, including local leaders, partners, volunteers, and philanthropists. Featuring hopeful stories from our community and special messages from CSC leaders and partners, it also serves as a cornerstone of our fundraising efforts, making critical support available to individuals and families seeking food relief and other resources for improved health, dignity, and stability. Our life-saving work is only possible with the generous support of local businesses, clubs, churches, government, and individuals.
